DEAR SPONSOR,

We take great pride in introducing our fundraiser – The Fiesta 2018! As part of our Service as Action and CAS initiative this year, we the students of Sreenidhi International School are organizing The Fiesta with a “Blast from the Past” theme. CAS is an important part of the curriculum through which the students involve themselves in activities of social significance.

Sreenidhi International School is associated with the KMR Foundation, which is a non-profit organization that works with a rural community, with an aim to expand its reach with a diversified program to include as many villages surrounding Aziznagar where Sreenidhi International School is located. Presently the foundation is working from Aziznagar school campus and engaged in meaningful development projects focusing on health care, education and vocational skill development of youth for self-employment.

The objective of our fundraiser is to enhance the infrastructure of Basthi School, Aziznagar. The event focuses on entrepreneurial skills which are quintessential in preparing us all for the world that awaits us. The students of Sreenidhi have identified the needs of Basthi School and this is where it plans to allocate funds collected from the event.

PAST INITIATIVES

The Response for Fiesta - 2016 and 2017, was overwhelming and the events were highly appreciated by all. Contributions from these events were utilised in providing electricity, a computer lab and classroom furniture to Basthi School and Central Primary School in Aziznagar.
